

Julia Popova

FRONTEND DEVELOPER

ABOUT ME

Frontend Developer with **2.5 years** of experience in building SPAs using **React, Next.js, Redux Toolkit**, and **RTK Query**. Proficient in **TypeScript, JavaScript ES6+, HTML, CSS**, and **SCSS**. Passionate about creating responsive, user-friendly interfaces and optimizing application performance. I am constantly expanding my skill set by exploring new technologies, including **Vue and Nuxt**.

EXPERIENCES

Frontend Web Developer Contract Project, Belarus

Nov 2024 - Present
part-time

Project: A website for a lawyer from scratch, including:
Design and implementation of a responsive interface for user-friendly interaction.
Integration of feedback forms.
Implementation of a simplified appointment booking system.
Development of a backend for processing feedback and managing articles, ensuring reliable content storage.
REACT, NEXT.JS, TYPESCRIPT, TAILWIND CSS, EXPRESS, NODE.JS, AXIOS, MONGODB, REDUX TOOLKIT

Frontend Developer IDS Logic, India

Dec 2022 - Oct 2024

Development in Outsourcing Projects.
Developed an application for a business card builder and ordering system, including user interface design, integration with backend services, migration to TypeScript, and bug fixing.
Maintained the company's website.
Developed an internal CRM system for the client.
Created an admin panel that improved data management and client interactions.
Developed Telegram bots with various behavior scenarios.
